

EMPOWERING YOUTH THROUGH EDUCATION AND PRACTICAL BUSINESS EXPERIENCE TO IMPROVE THEIR QUALITY OF LIFE AND BUILD HOPE FOR A BETTER FUTURE.

Our Mission

BizKidz International is a 501(c)3 non-profit organization incorporated in Colorado with headquarters in Colorado Springs. Our mission is to support youth throughout the world to improve their quality of life and to give them hope for a better future. We help to solve social problems by building faith, spiritual values, entrepreneurship, and understanding of the free enterprise system.

BizKidz supports projects nationally and internationally that encourages the entrepreneurial spirit of these youth, teaches them the principles of business, and provides them with the tools for success. Through these projects they obtain business management knowledge and skills. They also receive practical hands on experience in operating and owning a small business.

We believe that all people, regardless of their race, gender, religion, age, or social position have the right to participate in the prosperity and abundance of the universe. To this end we take a multi-pronged approach to empower these young entrepreneurs.

Our Model

1. To Instill Ethics and Spiritual Values.

a. We teach truth, honesty, integrity, respect, commitment, love, forgiveness and community service as a way of life.

2. To employ the Four-Way Test, of the things we think, say, or do.

- a. Is it the truth?
- b. Is it fair to all concerned?
- c. Will it build good will and better friendships?
- d. Will it be beneficial to all concerned?

3. To provide business education.

a. To teach the principles of business management such as accounting, financing, marketing, and other knowledge needed for successful business ventures.

4. To provide human and financial resources.

a. Our mentors, board of advisors, and funders provide additional support for individual ownership of projects.
